

**INTERNATIONAL INDIAN SCHOOL, AL-JUBAIL**  
**JUNIOR PRIMARY SECTION (2017 -2018)**

Dear Parents of Class I Students,

Date: 3.5.17

**Sub: Our endeavour to reduce the load of our students' school bag**

The weight of the student's school bag and its long term effects on the child's health has been a growing concern in academic circles and we have taken effective steps to counter this damage.

- 1) We keep the following books in the classroom. The books are sent back before tests and term exam.

**English Workbook, English Cursive Writing Book, English Literature Reader, EVS Activity Book, Maths Text Book, Hindi Activity Book, Hindi Cursive Writing Book, G. K. Book, Sketch book and S.U.P.W. (Art & Activity) Book.**

- 2) In addition to the timetable, the class teacher explicitly mentions the books to be brought the next day in the students' handbook. So kindly make sure the child carries only the books mentioned by the teacher in the student's handbook.
- 3) The class teacher randomly checks the student's bag to ensure that the student is not loading his/her bag unnecessarily.

Parents, please note that we need your co-operation to counter the developmental issues arising out of children carrying heavy bags to school.

**Together we can make learning a happy journey for every student.**
