

"KINDERGARTEN GRADUATION"

**"Success is like a mountain that keeps growing ahead of you as you hike."**

**Dear Parents,**

**As our tiny tots are well equipped to move ahead in their academic life, let us honour and promote them to graduate and move to formal education.**

**Kindergarten graduation is an important milestone in the journey of learning. It is a time to celebrate accomplishments while planning for the new achievements. To celebrate the occasion in a special way we have planned to conduct the *Graduation Ceremony* in March, 2018 after the U.KG. Assessment II.**

**You are requested to pay SR-60/ towards the cost of the graduation day costume (gown & cap), certificate, class photograph and DVD. Refreshments will be provided on that day. Please send the money in a sealed envelope with the child's name, class and section mentioned on it and send it on or before 20/12/17 to the class teacher.**

**Looking forward for your sincere co operation to make this day a memorable one.**

**Thanking you.**
