**Echo Magazine Activity**

Dear Parents of Class I Students,

Date: 6.2.2018

*"Art is the most intense mode of individualism that the world has known."*

Here is an opportunity for the students to exercise their imagination through colouring. Children should **colour the picture** given to them in the classroom on **22<sup>nd</sup> February, 2018 (Thursday)** under the supervision of teachers. The **best coloured picture** from each section will be published in the "**Echo Magazine**".

**They should bring their colour pencils to school on that day.**

Kindly give enough practice and encourage your ward to actively participate in this endeavour.
