CIRCULAR

Dear Parents of Classes I to XII,

Greetings from IIS Jubail!

The school management has decided to implement a revision in the school uniform with effect from the Academic Year 2026–2027. The details of the revised uniform are as follows:

- The white uniform and white shoes worn on Thursdays will be discontinued. Students will wear the regular blue uniform on all school days. White socks will be replaced with navy blue socks.
- On days when students have Games periods, they may wear the **school-prescribed** royal blue T-shirt and black track pants / regular uniform as per the student's comfort.
- Girls of Classes V to XII are required to wear the school-prescribed dark blue, striped school vest with white stripes along with the blue uniform. The vest may be worn with or without a white dupatta, according to the student's comfort.
- A photograph of the revised uniform is attached to this circular for your reference.
- There is no change in the KG uniform.

Parents are requested to ensure that your ward always attends school in proper and neat school uniform.

Dr. Nisha Madhu
Principal

CC: CMC, SMC, Vice Principal, All Section Heads
