CIRCULAR

Dear parents,

Greetings from International Indian School, Al-Jubail!

The school has received many applications via mail and in-person, expressing interest in shifting to co-education.

The school and the management shall review these applications and will determine the feasibility of accommodating these students.

We kindly request parents and students to refrain from sending follow-up emails or visiting the school for updates on the status of their applications.

Those students who are interested in submitting new applications (but have not submitted the application yet), may send it to info@iisjubail.org.

The school will provide an official update once the possibilities are assessed.

Thank you for your understanding and co-operation.
