**CIRCULAR - IIS Jubail Digital Diary-Mobile App**

Dear Parents,

Greetings from IIS Jubail!

With reference to the circular dated 16th January 2025 regarding the mobile application, we would like to inform you that the school will use the app as the primary mode of communication in lieu of school diary.

To ensure you receive timely and accurate information, we request all parents to start using the mobile app instead of WhatsApp for school-related communication. The mobile app serves as a digital diary and offers several benefits such as:

- Direct messages from teachers and administration
- Instant notifications about school events and circulars
- Easy access to attendance, homework, and timetables
- A secure and organized platform for all school updates

Your cooperation in transitioning to the app will help us maintain a consistent and efficient communication channel. If you haven't downloaded the app yet, please do so at your earliest convenience.

Please use the links below to download the app from AppStore / Play Store.
