Dear Parents,

With an objective to create awareness among students about the importance of consumption of fruits in regular diet, we are celebrating "FRUITS DAY" on 26th May Thursday 2022. Special assembly will be conducted to make the children aware of the importance of consuming fruits daily. Children need to bring the marked fruit which will be shared amongst them. Kindly wash the fruits and send, do not cut the fruits. Children should bring small bag with snack box, water bottle and colour pencils.
